ABOUT GROWHOLIC GROUP

Growholic Group is a digital marketing, branding, and growth consultancy founded in 2024 in Nashik, Maharashtra. We help product-based and service-oriented businesses unlock their full digital potential through customized marketing strategies, content creation, and technology-driven tools.

We work across jewellery, education, real estate, hospitality, interior design, and local services — with a mission to turn visibility into leads, and leads into loyal customers.

VISION

To become the most trusted growth partner for small and medium businesses across India by delivering innovative and impactful digital solutions.

MISSION

To provide businesses with the tools, strategies, and content they need to build visibility, attract leads, and drive conversions through personalized digital marketing services.

MILESTONE

At Growholic Group Company, every step since our foundation has been driven by vision, creativity, and performance. Here's how we've evolved:

2024

Foundation Year

Founded Growholic Group Company in Nashik, Maharashtra with a mission to transform local businesses into digital-first brands. Our journey began with jewellery, education, and restaurant industry clients.

2025

Expansion & Specialization

Expanded into real estate and hospitality sectors. Developed property lead funnels, grand opening marketing campaigns, and weekend ad strategies for interior studios and restaurants.

OUR TEAM

At Growholic Group Company, our team is our backbone. Each member brings a unique skillset and unwavering passion to help our clients grow. Together, we handle everything from creative design to campaign execution — with complete commitment and collaboration.

THE PROCESS

At Growholic Group, we follow a result-driven process to elevate your brand's digital presence

1

Strategy & Planning

We begin by understanding your business goals, analyzing your target audience, and building a roadmap for online success.

2

Creative Execution

From compelling designs to engaging campaigns, our creative team brings your brand vision to life across platforms.

3

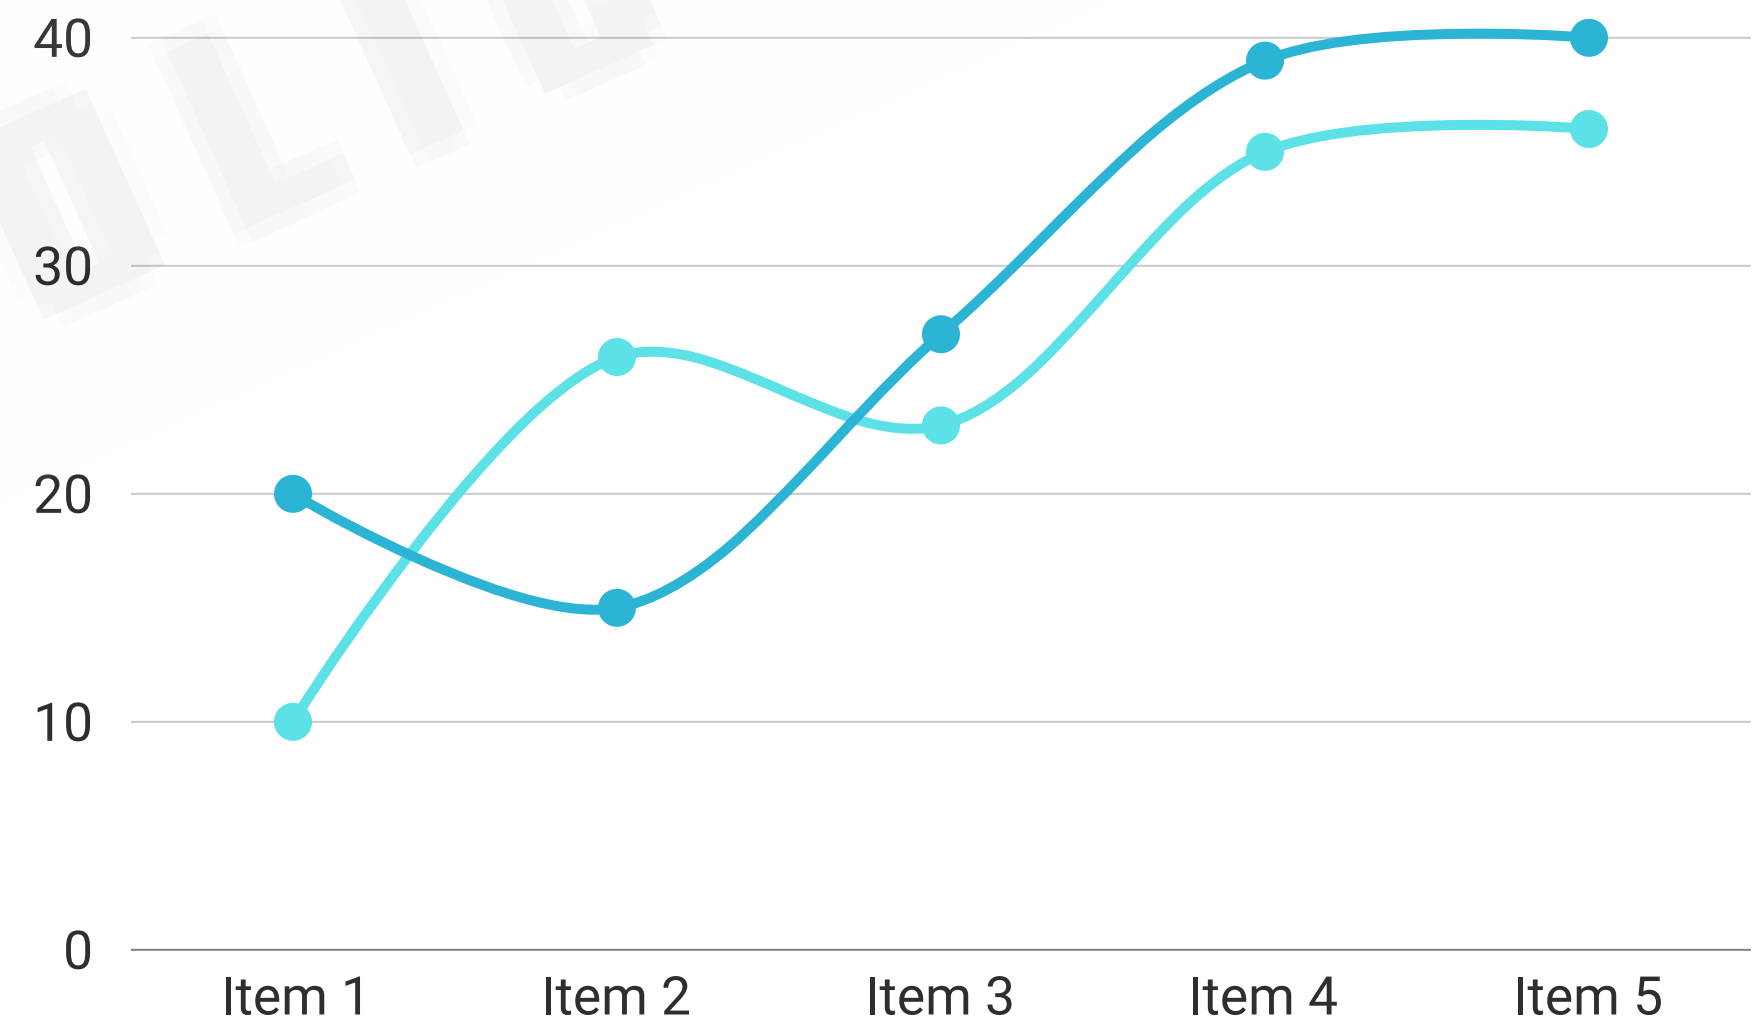

Performance & Optimization

We track performance, analyze data, and fine-tune campaigns for maximum ROI and long-term growth.

MARKET ANALYSIS

We don't guess — we research.

At Growholic Group, our market analysis digs deep into your industry trends, competitors, and customer behavior to deliver data-backed strategies that work. With tools and insights, we ensure your brand reaches the right audience at the right time.

OUR GOALS

At Growholic Group, our mission is to empower businesses with creative and measurable digital strategies.

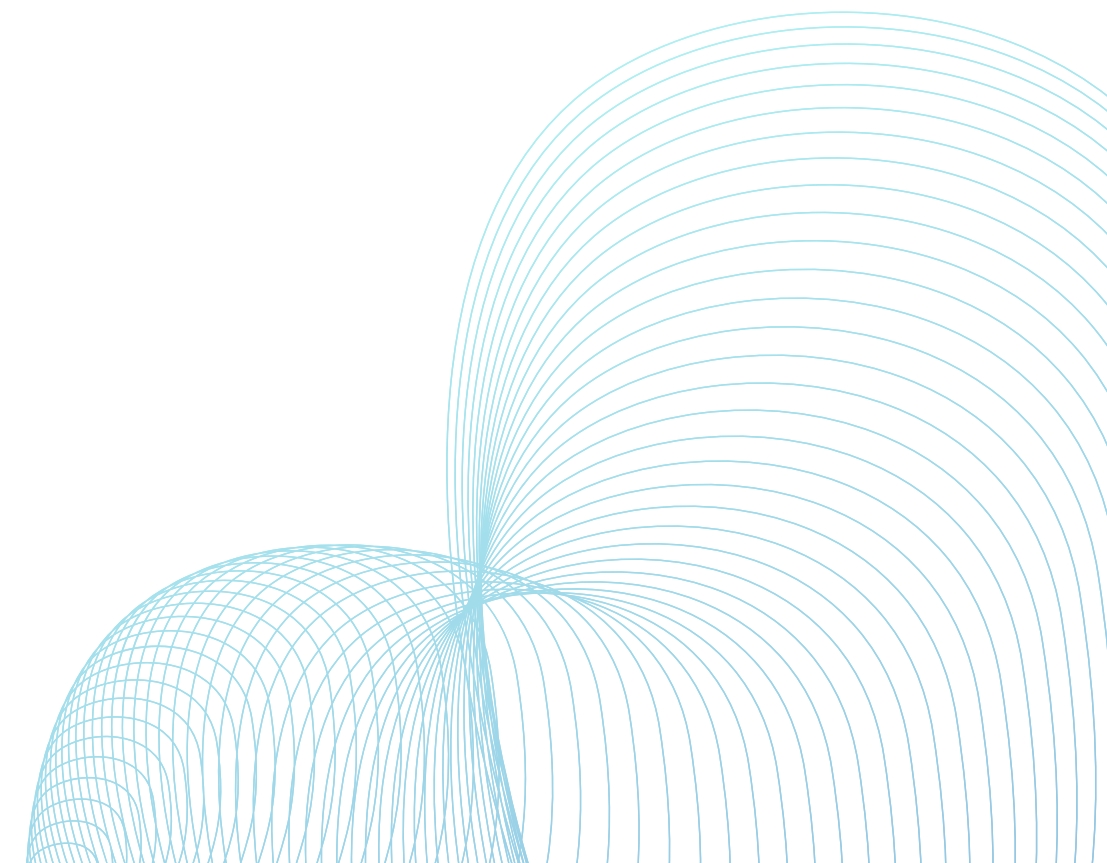

Visibility & Reach

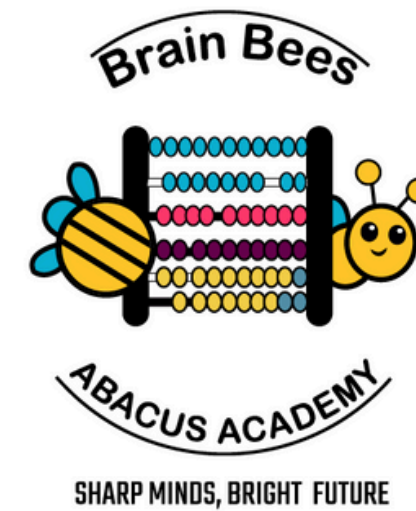

We aim to increase your brand's visibility with highly-targeted advertising and social media outreach.

Growth & Conversion

We focus on generating quality leads and converting them into loyal customers through performance marketing and automation.
